Gentle Movement Participation Waiver and Release

What I am joining

I am choosing to take part in a gentle, Pilates-based movement session (which may include seated and standing exercises) led by Niara Comrie, certified Pilates instructor, of Auric Movement LLC. Taking part is voluntary. I may rest, modify, or stop at any time, and I do not need a reason.

My health

I understand that any physical activity carries some risk, including muscle strain, dizziness, falls, and, in rare cases, more serious injury. I confirm that I am able to do light exercise, or that I have checked with my doctor. I have disclosed any pre-existing conditions, injuries, recent surgeries, or medications that could affect my ability to exercise safely, and I will tell the instructor if anything changes. I will stop right away if I feel pain, dizziness, shortness of breath, or chest discomfort.

I understand that Auric Movement's instructors are **not licensed medical professionals**, and that nothing offered in a session is medical advice, diagnosis, or treatment, or a substitute for any of them.

Please check any that apply to you

☐ Heart condition ☐ High blood pressure ☐ Joint replacement (hip, knee, shoulder)

☐ Osteoporosis or low bone density ☐ A fall in the past year ☐ Dizziness or balance concerns

☐ Recent surgery or injury ☐ I use a cane, walker, or other mobility aid ☐ None of these

Hands-on help

From time to time an instructor may offer a light touch to guide a position — a hand at the shoulder or the back. This is always optional, I will be asked first each time, and I can say no at any point without explaining why.

☐ Yes, hands-on guidance is fine ☐ No, please do not use hands-on guidance

If there is an emergency

If I appear to need urgent medical help, I give permission for Auric Movement, the host, or the venue to call emergency services and to share what they know of my health details with the people who come. I understand I am responsible for the cost of any emergency care or transport, and that nobody here is obliged to provide medical treatment themselves.

Photos

Photos may be taken at this event for community and promotional use. My choice below applies whichever way I mark it, and I may change it later by emailing auricmovement@outlook.com.

☐ Yes, photos of me may be used ☐ No, please do not use photos of me

What I am agreeing to

Please read these before signing. They are the same protections that apply to every Auric Movement session, written out plainly.

1. I take part voluntarily and accept the ordinary risks of gentle movement described above, whether or not they could have been foreseen.
2. I will follow the instructor's directions and safety guidance, and use any props or equipment only as shown.
3. **In exchange for being allowed to take part**, I release Niara Comrie and Auric Movement LLC, along with its instructors, employees, agents and affiliates, and any event host, organizer or venue (together, the "Released Parties"), from claims for injury, illness or loss arising from my participation. I understand this covers ordinary negligence, and that it does **not** cover gross negligence or willful misconduct, which are not released.
4. The Released Parties are not liable for indirect, incidental or consequential damages arising from my participation. This does not apply to gross negligence or willful misconduct.
5. I will cover the Released Parties for any claim, damage or reasonable legal cost that arises from my own conduct in the session, including injury I cause to another participant or damage I cause to the venue or its equipment.
6. My belongings are my own responsibility. The Released Parties are not liable for anything lost, stolen or damaged.
7. Any dispute arising from this form or from my participation will be settled by binding arbitration in New York under the rules of the American Arbitration Association, rather than in court.
8. This form is governed by the law of the State of New York. If any part of it is found unenforceable, the rest of it still stands.
9. I am at least 18 years of age.
10. Everything I have written on this form is true and accurate to the best of my knowledge.
11. I have had enough opportunity to read this form, to ask questions about it, and to take independent legal advice if I wanted it. I sign it freely.
